

# THE NEXT GENERATION *in talk radio*

## ENERGIZE YOUR WEEKEND PROGRAMMING

### About the Show

The Voice of Reason is a nationally syndicated conservative talk show that focuses on activism at the local level. The show discusses current events while applying Constitutional principles, traditional values, and logic to the issues of today. Being a millennial, Andy has a unique perspective on the struggles of our time, and tries to apply common sense, logic, humor, and sarcasm to the show.

### About Andy

Based out of Wichita, KS, Andy understands the radio industry and working to build an audience. Andy has been Operations Manager, Program director, and talk host for 15 years. Andy interviews numerous national pundits, campaigns, other national talk radio hosts, along with elected officials at the national and local levels.

Andy is a regular guest & guest host for the nationally syndicated radio program "Armed American Radio with Mark Walters".
